

To obtain a downloadable manual, sample analysis or calibration procedure for your InfraSpec VFA-IR Spectrometer, please contact us by sending an e-mail to tech@wilksir.com or call 203-855-9136.

Please include your name, company name and serial number (located on the bottom of the analyzer) of the InfraSpec VFA-IR Spectrometer. We will provide you with a link, a username and password to access the information you are interested in receiving.

If you would like to speak to us directly regarding application or operation assistance, contact Dylan Wilks - dwilks@wilksir.com 831-338-7459.
